

Lymphatic Drainage

The Lymphatic Drainage App is a Revolutionary Patch designed to support the immune system and Lymph Drainage.

Made in the U.S.A.

Provides essential frequencies that are designed to cleanse your lymphatic system and support its healthy function. This formula may also strengthen immunity and combat infections and inflammation, cleanse and cool your system, normalize pH levels, and build immunity. This patch also helps with water retention and urine output.

Great to use especially when cleansing, dieting, or after a massage.

The Advantages of the Lymphatic Drainage App:

72 Hour Consistent Ongoing Benefit per Patch.

—

Easy to Change Patch Every 3 Days.

—

Experience **NO** Negative Side-Effects.

—

Experience Immediate Positive Results.

—

Enhances Nutritional Supplements & Medications Effectiveness.

—

No Struggling to Swallow Pills or Bad Tasting Liquids.

Proper Placement

Place the Lymphatic Drainage App on the left side of the body. Energy travels to the left of your body far better than the right side. For maximum results two (2) can be worn. Place one on the left and one on the right.

Lymphatic Drainage App
