

Weight Loss/Metabolism Booster

Weight Loss/Metabolism Booster is a Revolutionary Energy Patch Designed to improve Weight Loss, Recover Quicker, Increase Energy and maximize the benefits of physical activity and exercise!

Made in the U.S.A.

Weight Loss/Metabolism Booster is designed to support the body's ability to assist with weight loss, recover quicker, reduce bloating, appetite control, increase energy, and maximize the benefits of physical activity and exercise. Consider using when experiencing: slow to focus, shortness of breath, lack of initiative, sluggishness, lack of energy, impatient, weight loss, increasing aerobic strength, and performing at peak performance.

The Advantages of the Patch:

72 Hour Consistent Ongoing Benefit per Patch.

—
Easy to Change Patch Every 3 Days.

—
Experience NO Negative Side-Effects.

—
Experience Immediate Positive Results.

—
Enhances Nutritional Supplements & Medications Effectiveness.

—
No Struggling to Swallow Pills or Bad Tasting Liquids.

Proper Placement

Place Weight Loss/Metabolism Booster on the left side of the body. Energy travels to the left of your body far better than the right side. For maximum results two (2) can be worn. Place one on the left and one on the right.

Weight Loss/Metabolism Booster

Instructions: Weight Loss/Metabolism Booster is to be applied to your body,

(left side, anywhere above the waist). Made to last for three (3) days, i.e. 72 hours then discard.

Apply another Patch and wear it daily for Weight Loss, Recover Quicker, Appetite Control, Reduces bloating, Increases energy, and maximizes benefits of physical activity and exercise.

Reduces Bloating~Enhance Muscle Growth~Increased Energy & Focus for Activity~Increase Metabolism & Energy for Weight Loss~Appetite Control
