

Pain & Inflammation

for healing the body naturally!

The Pain & Inflammation Patch is a product that supports those who suffer from pain and associated inflammation.

Made in the U.S.A.

Do you suffer from pain, lack of energy, cramps, achy joints, and mental stress associated with your pain? Chronic or acute pain, whether it be shoulder, back, neck, knees or achy joints can be debilitating leaving you exhausted. The Pain & Inflammation Patch has been designed to address pain and inflammation in the body without the use of sometimes harmful and addicting medications. It also addresses the anxiety associated with pain syndromes. Use the Pain & Inflammation patch when experiencing: Any Chronic or Acute Pain or Inflammation in the body, Anxiety, Frustration, and Stress associated with Pain Syndromes. Programmed with TENS frequencies, these are designed to stimulate nerves and block pain signals. We have also included frequencies associated with trauma.

The patches are made to rapidly promote and activate the necessary resources to optimize body and brain function, restore missing cell communication, and accelerate the body's natural ability to heal itself.

Also experience these Patches that address:

- Stress & Anxiety**
- Depression**
- Digestion Difficulties**
- CBD - Hemp**
- Sleep Disturbances**
- Allergies**
- Female Hormonal Issues**
- Detoxification**
- Weight Loss**
- HGH**
- Immune System Concerns**

Proper Placement

Place the Pain & Inflammation patch as shown above. The left side of the body accepts energy far better than the right side. Please follow directions that are stated below for best results.

Pain & Inflammation Patch

Instructions: The Pain & Inflammation patch is to be applied to your body, (left shoulder) to eliminate pain associated with inflammation, made to last for 3 days, then discard. Apply another patch and wear it for additional 3 days to reduce pain and inflammation. Repeat this procedure for at least 30 days or until the pain subsides.

If needed, continue use as long as needed.
